Jaime's Corner

On behalf of my queen Rachele, our dedicated and hardworking **JJMI** and

Healing Music team, Kim, Evelyn, Nelson, Greg, Matt, Kristi, Elias, Janelle, Darlene, Palmer and Glenn, as well as our furry child Aria, I want to wish you, your family and loved ones a Christ-filled and Merry CHRISTmas Season 🎄, and a joyous and blessed 2020!

I want to solicit your prayers on behalf of Kim's mom, who is recovering from cancer surgery, and Rachelle's mom, who is recovering from a serious automobile accident. And we welcome the privilege of praying for you if you share with us your prayer requests!

I also solicit your prayers during this very busy (not to say crazy) month of concerts. 27 concerts in 22 days in 6 states in December. Please check out our schedule below, on our website calendar, and/or our App, and if you are close to any of our concert locations, come say hello, and tell your family, loved ones and friends if they'll be close to any of our presentations to come. May God touch, reach and bless many people as a result of these concerts. I especially desire that people who don't know Jesus will accept the gift of salvation as a result of attending any of our programs.

A little update on our current and upcoming projects:

1- Our July 26-August 8 Reformation Tour filled up within 35 days of opening it up, so we decided to ADD another one! **So now we have 2 Reformation Tours in 2020!** The first one will be May 25-June 7. We had some of the folks from the July 26 tour switch to the May tour, so we have around 15 spaces left on each one. If you are interested in going, please let us know right away, and we can either talk to you about the details, and/or e-mail you the brochures. Each tour will include attending the Oberammergau Passion Play. Tickets to that event are now sold out, and the next time the Passion Play would happen is 2030 (we want to be in heaven by then). Don't miss this opportunity to be a part of our exclusive and unique tour, and witness the Passion Play!

Our May 25-June 7 tour offers a 3 day pre-tour in Italy, and a 3 day post tour in England. Details at the bottom of the Newsletter

2- We have a few spaces left for our Holy Land, Jordan and Egypt trip starting June 7, 2020. We are adding a couple of exciting new sites and activities in Israel, expanding the incredible Jordan experience, as well as adding historic Egypt sites to our tour. 2020 promises to be amazing! Call or email us for all the details.

More info on the tours and a couple of short, informative videos we've created for you in our "**Featured Product**" section.

3- We are now 1/4 of the way to reaching our goal to record our new album "**Here I Am to Worship**". If you haven't yet pre-ordered your copy, or participated in any of and levels we have created to raise the rest of the

funds, please check out all the details at <http://www.jaimejorge.com/newcd/> and consider getting involved in what promises to be our BEST album yet! This has been a challenging year, to say the least. Seems like this world is getting crazier and crazier. I've flown more air miles than any other year, and have traveled to 4 continents and 9 countries in the process. I've seen discouraging and disheartening things, to put it mildly. But I have also seen the mighty hand of God at work like never before. One of my favorite Bible verses announcing the coming of Jesus Christ, is Isaiah 9:6, immortalized by George F. Handel in his sublime and incomparable work, "**Messiah**": "For unto us a Child is born. Unto us a Son is given: And the government will be upon His shoulders. And His name will be called Wonderful, Counselor, Mighty God, Everlasting Father, Prince of Peace." (NKJV) This is the time of year when we remember and celebrate Jesus coming to this world! The Word became flesh. Hallelujah!

The fact that God the Father, God the Son and God the Holy Spirit are at work, and I get to see some of this work, is what keeps me going and doing what I do. And the possibility that you can learn about and be encouraged by some of these very things I'm witnessing (what God is doing through **your** service to Him, as your prayers and support mean that we are partners in this journey and work), makes me get excited all over again, and helps me forget how tired I may be at times! My desire is for all of us to be used by Him to bless others and bring people to Christ.

The impact that our **Hope Through Music** program in the Chattanooga area is having in the lives of the young people participating *and* their families is awesome! Just over a week ago, I had a concert at First Cumberland Presbyterian Church in Chattanooga, one of the churches that has embraced **Healing Music, Inc.** and our **Hope Through Music** program. First Cumberland has opened its doors and facilities so that Janelle, our program coordinator and teacher can have a place to teach lessons to many of the nearly 30 children now participating in the program. We now have 3 violin teachers giving lessons to the children! Several of the families of the children were present, and 5 of them performed! Here is a link to one of the songs they played:

<https://www.google.com/url?q=https://www.youtube.com/watch?v%3DUcKpqytBEU%26feature%3Dyoutu.be&source=gmail&ust=1575482492634000&usg=AFQjCNFNuJ2fPHs8cup49aD0bCdxnqolfA>

Praise God, 20 violins have been donated for our program, and so we are only renting about 10.

The testimonials of some of the parents are truly astonishing, as they are seeing positive things happen in the lives of the children, as well as in the dynamic of entire families. All because you and I have had a heart for reaching children and families in need. My brother and sister, [THIS](#) is the Gospel at work. [THIS](#) is evangelism! My desire, if it's God's will, is to have as many as 100 children in the program in the next 5-7 years, learning to play

instruments, learning about Jesus, and learning to use their talents for the glory of God.

In Cuba, our nascent program is doing really well! I was in Cuba last month for 2 days, in part to take stock of how things are going. After 3 months of lessons, the children are excelling and growing by leaps and bounds! Watch this short performance by one of the children:

https://www.google.com/url?q=https://www.youtube.com/watch?v%3DMawiUlgxu_8%26feature%3Dyoutu.be&source=gmail&ust=1575482492634000&usg=AFQJCN GTb-VGLla3fqm0Wo0Z5urnHLBkMA

Our program director, Alioth Gonzalez, who is on fire for the Lord and this program, gathered as many of the parents and children as possible, so that they could play for me. At times, I had to close my eyes to hold back tears of joy as I listened to and watched these precious children play their hearts out. After all the children, played, some of the parents spoke out, asking me to thank our supporters, and the sponsors of the violins, for their generosity and kindness in making this program a reality. Some parents spoke of how they are coming to know Jesus Christ for the first time because of their children being in this program, and how their lives are being changed by the Lord! The letters that the children sent to some of the violin sponsors are precious and heartwarming.

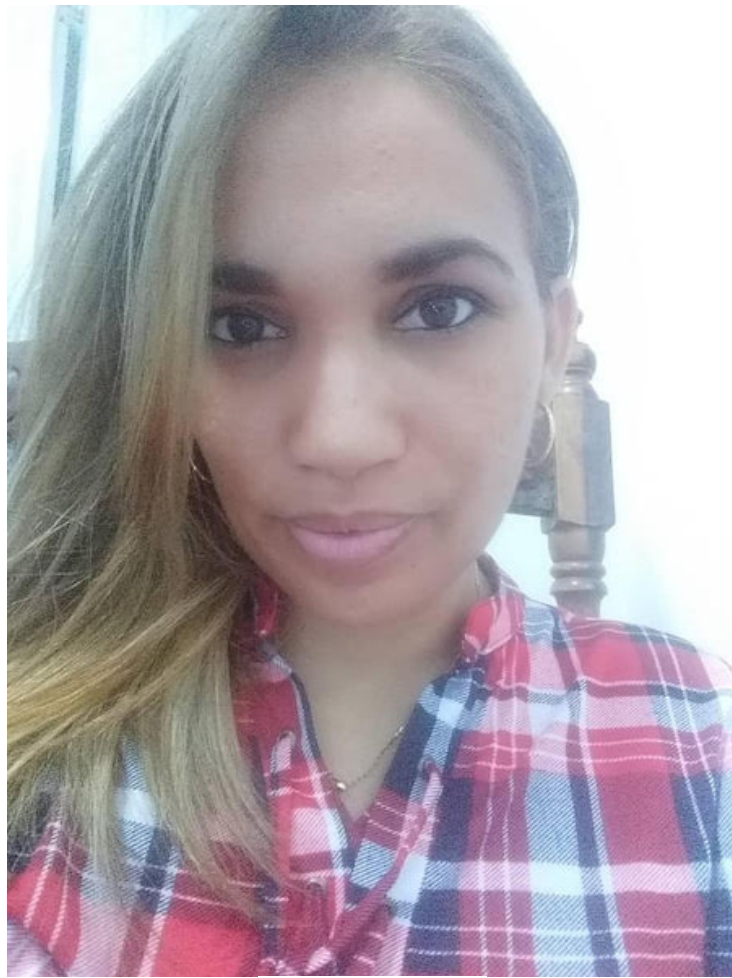

One family came to talk to me in private after most everyone had left the room. They shared with me that they have recently been granted the opportunity to leave the country. Many, if not most Cubans are desperate to

leave the country. But I was astonished when the mother and grandmother of one of the boys in the program told me that they were considering staying in Cuba *because* their son was doing so well in this program, and because they doubted an opportunity like this would be available in the country where they would go. This made me realize that our program is impacting the children and their families in a musical, emotional and spiritual way.
PRAISE GOD!

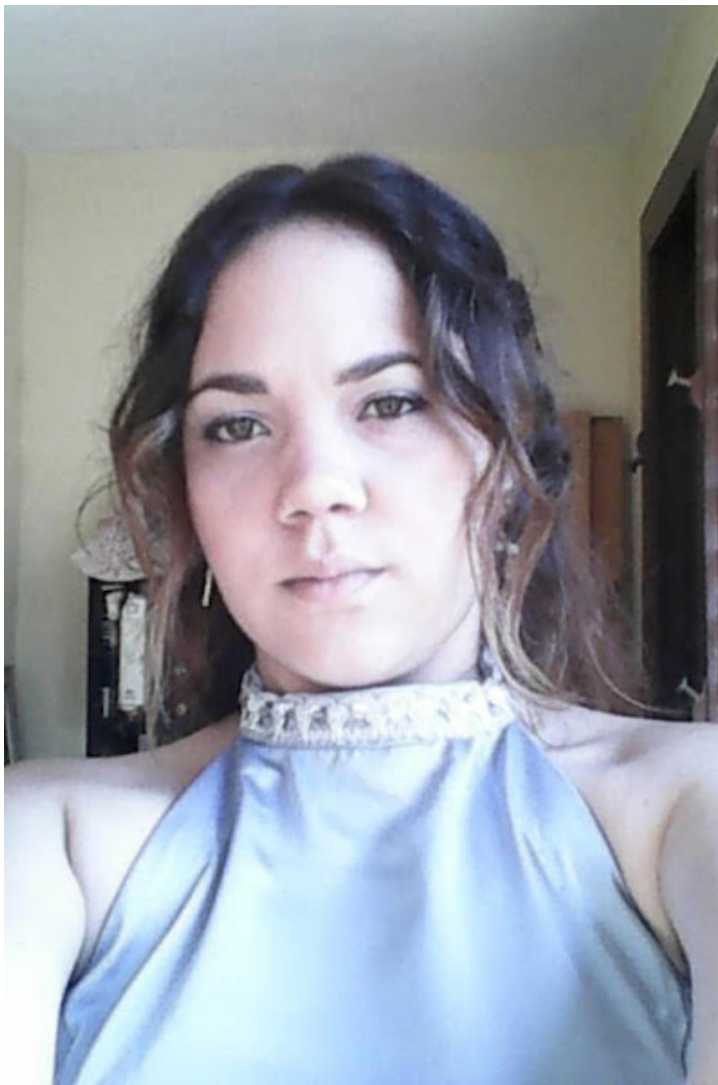

Our 3 teachers, Alain, Marla and Ana get paid \$100 per month to work full-time in our Music School and program. And that is more than most people make working full-time in Cuba. Can you imagine? Please pray for them, as well as Alioth, that the Lord continue to bless and use them to daily help these children and their families! I will work on getting Alain, Marla, Ana and Alioth, to share a little about themselves starting in the March, 2020 Newsletter.

By the grace of God, we have more violins donated than students right now for our Cuba Music School (the official name of the school is **Escuela de Cuerdas Mayda Isabel Jorge**).

In October, I traveled to Cuba to put on a classical music concert with a newly founded string orchestra of Christian musicians. It is called “**Camerata Nueva Vida**” (Camerata New Life). The Lord blessed our concert, and as a result, I have been invited to put on 3 concerts next year in May at one of the 3 most important concert halls in Cuba, the revered “**Teatro Martí**” (the equivalent of The Lincoln Center or Kennedy Center for the Performing Arts in the USA). 2 of those concerts will be classical music, and the Sat. night concert will be a concert of Christian/Gospel music. We are absolutely thrilled that the administration of the Teatro, and the Cuban government would allow us to put on such a concert for the Christian community. I am considering inviting a group of people interested in going with me to Cuba for a few days to 1- see the work we are doing, 2- see Havana and a couple other parts of Cuba and 3- attend these concerts on the weekend. If you would be interested in going with me on such a short, missionary-minded trip, let me know!

Anyway, in between one of the rehearsals for the October 2 concert, I picked up the instruments and bows of some of the Camerata members. I was

horrified and saddened to see that some of them were playing without “E strings”, and their bows looked like this:

It is very difficult to play the violin without the E string! And yet, some of these young people were doing that very thing, because they simply didn't have strings for their instruments!

So when I came home, I began a Facebook campaign to raise funds to buy every member of the Camerata a new bow, a set of strings, and other accessories like rosin, cleaning cloth, fine tuner, shoulder rest and mute. By the grace of God, the response was amazing, and when I returned last month, I was able to take all of these resources to give to our musicians. Praise the Lord!

These are the members of the “Camerata Nueva Vida”.

I met Wilmer in January of this year. He was starting 2nd year at the Seminary, as he felt God's call to be a pastor. But his wife had just given birth, and they didn't know how or if he'd be able to continue studying, as he needed to provide for his family. But God had already worked things out! My friends Howard and Patty Sue, who love the Lord and are faithful servants of His work, were interested in sponsoring a student. After praying about it with the Seminary leadership, they felt that Howard and Patty Sue's generosity was a godsend for Wilner and his family. Howard and Patty Sue haven't just sponsored Wilner's schooling. They've made it possible for him to have a bicycle so he can give Bible studies, get to the churches to preach, and get around. And Wilner was able to buy brand new clothes (all the clothes you see in this picture) for himself, his wife, and their son. A little help has gone a LONG WAY to reach, not only Wilner and his family, but the hundreds of people he's witnessed to this year alone!

As you can see, a little effort, support and commitment can go a long way! I can promise and guarantee you that there is something we can ALL do for God's Kingdom, glory and honor. He is *eager* to use us to reach others. Jesus said "The harvest truly is plentiful, but the laborers are few". (Matt. 9:37) Z(NKJV). May we be willing to be used by Him to reflect His light to others. I challenge you to ask Him to use you in a special way this Christmas Season to witness to others, and perhaps to bring someone to Christ before 2019 is over! May this be our burning passion and desire.

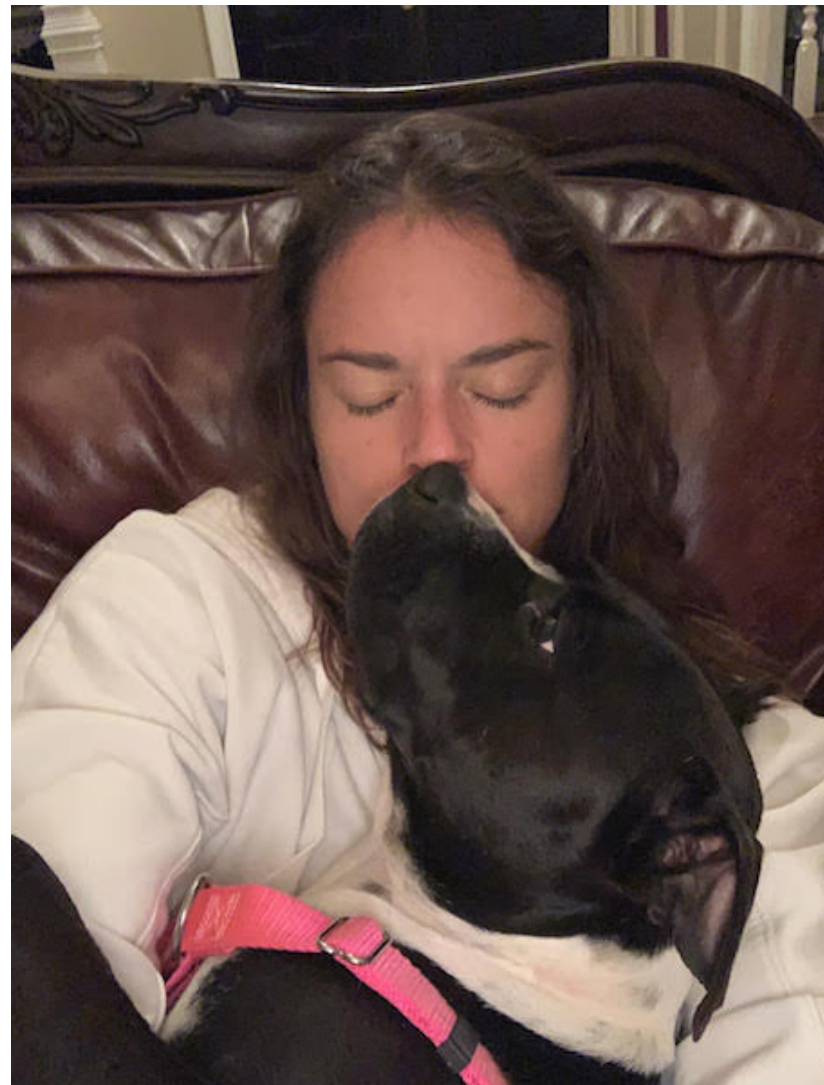

May Jesus be the reason for this season. May we do everything we can to reach others for the Prince of Peace!

From our family to you and yours, Merry CHRISTmas and Shalom,

Jaime, Rachelle and Aria

GUEST MESSAGE

Hey y'all! I'm Matt Fouch. I am the bass singer for Legacy Five and I met Jaime when we were in concert together for one of L5's events. In addition to traveling the country, singing Gospel Music, I run a company called Principled Marketing and I help Jaime with his Facebook page management

and advertising. I am thrilled to be part of helping Jaime, as a consultant, in this capacity. I believe that social media is extremely important for artists and I enjoy helping artists utilize that platform to reach individuals with the Gospel and to let others know about their upcoming concerts.

I am married to Candice. We have 2 boys, Greyson (7) and Kingston (3) and we reside in Somerset, KY.

It is my sincerest desire that my work, as part of Jaime's team, help his ministry reach even more people in the future. I pray we are able to see more people come to know Christ because of our combined efforts. Jaime has an extremely unique ministry and I couldn't be more proud of him and the work he is doing!

God bless!

I would like to say your music is amazing. I have been learning one of your songs by ear. It's called "Near to the Heart of God", but I still can't figure out

some of the ending notes. I have been learning “In My Heart, There Rings a Melody”. If you remember me, I was the boy who talked to you at the New Zealand concert in Hamilton. I told you I was going to play the violin.

You are my inspiration.

May the Grace of Jesus be with you.

LC

Dear Jaime Jorge,

You know I have heard you play here at ER church many times, and at the Spanish church where I first heard you when you were young. But in October at the AR church, I saw “Jesus” in you and in your music. Your poster says “Healing Music”, and believe me, it is healing. WOW! I talked to Joan our secretary and we talked about when you gave up going to Medical School. She said she wasn’t very happy when that happened. But I asked her “Joan, how many people has he healed or brought to Jesus through his music? How many have been healed spiritually? He is a Doctor with many blessings! Wow!”

You touched my heart and my friend Suzie’s. Thank you!

PC

Since I was small I dreamed of learning to play the violin, something that seemed impossible (unreachable), but Almighty God made it possible to realize this dream.

Now, it’s my turn- to practice and work hard to reach the goal and be able to play one day for God’s glory, like you do.

Thank you, Jaime, and may God bless you always.

Para: Jaime Jorge

Desde pequeño tenía el sueño de estudiar violín,
algo que me parecía inalcanzable y el Señor Todo
Poderoso hizo que usted me hiciera posible este sueño

Ahora me toca a mí, estudiar y esforzarme
mucho para alcanzar el triunfo y poder llevar un
día al Señor, como lo hace usted.

Muchas gracias Jaime y que Dios lo
bendiga siempre.

Dear Jaime:

I'd like to let you know that I'm very happy to have the possibility of being a part of the Music School, playing the violin, an instrument that emits such a special sound. I feel blessed for many reasons, and one of them is to have you in our midst. Just thinking about this gives me strength to continue to practice and to follow your good example: to play good music and bring joy to many hearts.

Estimado Jaime;

12/11/19

Quiero decirte que me siento muy feliz de que la vida me haya dado la posibilidad de estar en la escuela de música tocando el violín, instrumento que emite un sonido especial. Me siento bendecida por muchas cosas y una de ellas es tenerte a ti Jaime entre nosotros. Solo de pensarlo me da fuerza para estudiar y seguir su buen ejemplo. Para darle buena música y alegres muchas corazonas.

Introducing our 2 newest resources:

1- A USB drive for violinists and musicians who want to practice and perform the songs from our album **Rock of Ages (Simply Classic Hymns Volume 5)**!

For years, parents of young violinists and musicians have asked me “our son/daughter would like to play hymns in church; do you have sheet music of your arrangements?”. Since I didn’t, I’d always have to say something like “I’m sorry, but all those arrangements are in ‘my head’”. Well, NO MORE!

If you son/daughter/grandson/granddaughter/nephew/niece or friend plays the violin, sings, or plays a “C” instrument, this brand new, beautiful USB drive has 3 components:

- 1- The album “***Rock of Ages***” (Simply Classic Hymns Volume 5). Hymns and Spirituals like “A Mighty Fortress is Our God”, “Turn Your Eyes Upon Jesus”, “His Eye is On the Sparrow”, “No, Not One”.
- 2- All the accompaniment tracks so that anyone can practice and perform with the same tracks I play to!
- 3- All the sheet music for violin (voice and any “C” instrument) and piano, with dynamics, bowings and fingerings!

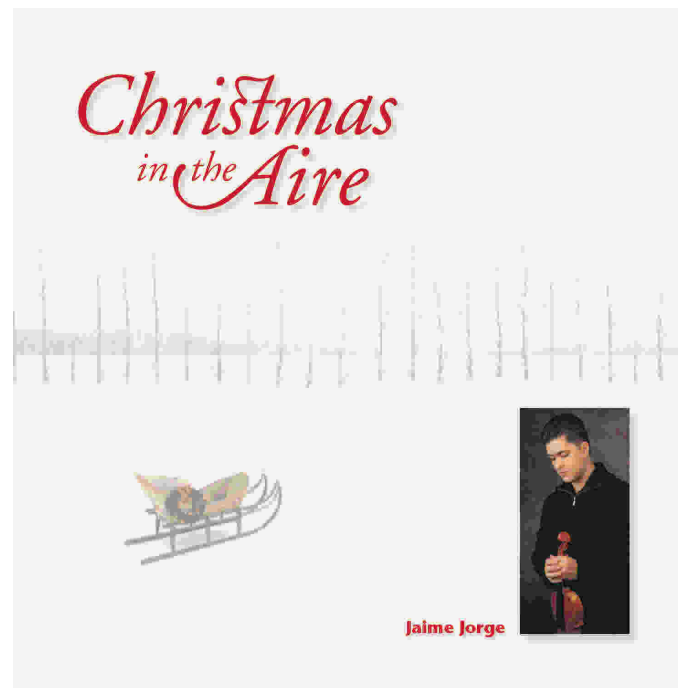

It is ALL THERE!

2- A USB drive with our Simply Classic Hymns collection (Volumes 1-5)!

All 63 Classic Hymns and Spirituals found in our 5 CDs (“***Softly and Tenderly***”, “***Be Still My Soul***”, “***Blessed Assurance***”, “***Wonderful Peace***” and “***Rock of Ages***”, now available for you to listen to in the car as you drive, at home or work in your desktop or laptop, and in the music folder of your phone! Countless classics like “Holy, Holy, Holy”, “What a Friend We Have in Jesus”, “Were You There”, “My Jesus, I Love Thee”, “The Church Has One Foundation”, “It is No Secret”, “I Surrender All”, “Leaning On the Everlasting Arms”, “In My Heart, There Rings a Melody”, “A Mighty Fortress is Our God”, and many more!
