JAIME'S CORNER

On behalf of my queen Rachelle, our dedicated and hardworking **JJMI** and **Healing Music** team, Kim, Evelyn, Nelson, Matt, Kristi, Elias, Janelle, Darlene and Palmer, as well as our furry child Aria, I want to wish you, your family and your loved ones a blessed Fall season, and for God to bless and use you in a powerful way in what's left of this calendar year!

After a blessed, challenging and busy summer, Rachelle and I are thankful to have some "us" and down time in one of the most beautiful places on earth (Hawaii). But don't worry, she's got me jogging 6 miles a day. And that's for the first workout. The second workout could be one of several other options up her sleeve!

Our 2 tours of the Holy Land and Jordan were a great blessing! There are always many highlights, and often different ones. I'd say this year, the highlight from both tours for me were the worships and Communion services at the Garden Tomb. After a moving time of teaching, learning, Bible study, music and communion, we all sang the Hallelujah Chorus at the end. Tears filled my eyes (and the eyes of many of our Pilgrims) and I could hardly play, as our groups sang with conviction and gratitude to our Lord and Savior for

His great love and sacrifice for us. Even other groups came over to join us. Praise God we have a risen Savior!

A highlight of every tour for me is the hike up to Masada Fortress. And for the second year in a row, we had someone who donated the commemorative T-shirts for the many Pilgrims who took up the challenge to hike the “Snake Path” instead of taking the cable car to the top! Here is this year’s exclusive T-shirt:

After the great blessings and success of 2019’s tours, we are planning another trip for June, 2020. The details are below in the Featured Product section. We are already 1/3rd full, and we are excited to add Egypt as an extension in addition to Jordan after the Holy Land. If you are interested in going, check out all the details and let us know soon!

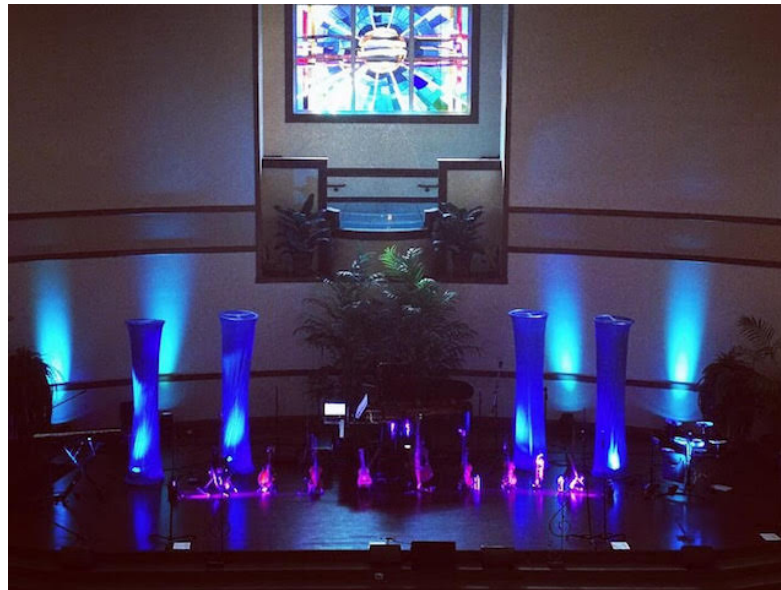

I can hardly hold back my excitement and anticipation for our Reformation Tour July 26 to August 8, 2020. Going to these places seemed an impossible dream for me as a teenager. But God has opened the doors, and we have put together an amazing tour for you! Yes, we will go to all the important and famous sites in Germany, Switzerland, Italy and the Vatican (places like Wittenberg, Augsburg, Lake Constance, Lucerne, the Waldensian Valley, the Roman Colosseum, St. Peter’s Basilica and Square, the Catacombs, and so on). But there are **2** things that will make our trip unique, special, exclusive and memorable: **1-** I’ve secured permission to do concerts for our group in places like All Saints Church (where Luther nailed the “95 Theses”), St. George’s Church where Johann Sebastian Bach was baptized, the Cave Church (Ghieisa d’ La Tana) where the faithful Waldensians met, and in the Catacombs. And **2-** we have secured tickets to the world-renowned Oberammergau Passion Play. This event has been in existence for over 400 years, and it only takes place from May to October every 10 years. Tickets

are now nearly sold out and impossible to obtain, especially for a group. But we have them! We are excited!

We are absolutely amazed that since we began promoting the Reformation Tour on August 1, we have had such an overwhelming response that we are **90% FULL**. We have about 7 spaces left. And we are offering a discount if you sign up by September 1. Details are at the bottom. If you want to go, PLEASE let us know ASAP.

That's it for all the announcements! Now to some of the incredible things God is doing to reach people for His Kingdom:

Our Healing Music Festival in Chattanooga was not as elaborate as the last 2 years. That's because Kim was in school full time finishing her degree. So we decided to have the Festival in 1 night instead of 3. This year, we were blessed to have 2 great groups, which are coincidentally made up of young people provide our Festival extravaganza!

The Citizens of Glory are a family of "Musicianaries". 9 precious, talented, dedicated young people. Their music, testimony and passion for the Lord blessed the audience. People were moved, inspired and challenged! We are thankful to have had the Citizens of Glory with us, and we pray that the Lord will continue to bless and prosper them!

The second half of our evening featured Timothy and Hosannah Noble. I've known Timothy for several years, and he's a young, prodigious pianist. I've done a number of concerts with him. I met his bride of one month Hosannah when I played for their wedding at the end of June! She's a singer and a violinist. Their beautiful ministry blessed the audience, and we can't wait to see what God is going to continue doing through Timothy and Hosannah!

And at the end of June's Newsletter, I told you I'd be sharing with you more on what God is doing in Cuba! So here we go:

Rachelle has taken several 50-70 lb. duffel bags full of sports equipment to Cuba to help support the sports ministry programs. These programs are aimed at reaching at risk and non-Christian young people, and through these sports leagues, young people learn about Jesus, not just come to play baseball, volleyball, basketball, etc. As you can see, the equipment they have and have been using is pretty sad.

Many people have brought to Rachele sports equipment they don't use or need, and even at her fitness studio, students and teachers have donated proceeds from classes to help purchase equipment!

This boy is an orphan who dreamed of playing baseball. The pastor that works in this region was delighted when Rachelle brought this bat, glove and ball, because he knew just who to give it to!

And the same pastor had been *praying* for a volleyball net for his outreach. Rachelle tells me she didn't know why she purchased and took a volleyball net, other than she thought it'd be a good idea. When she took it out of the bag, the pastor rejoiced! We never know how God can use us!

We are praising the Lord for all these blessings, as well as the doors that are opening in order to do outreach through our Music School in Havana! As a result of the performance I talked about in our Newsletter in June, we have been granted permission to take 100 violins to Cuba for the Music School! This is absolutely amazing and wonderful. Praise God!

Pictured below is our Music School Coordinator, Alioth Gonzalez, with 10 of the 1/4 size violins already in Havana!

We offered a special Summer Music Workshop for children, and we had an overwhelming response! For 4 hours a day Monday through Friday, during the months of July and August, these precious children learned not only about music, but also about JESUS! Most of them are non-Christians, and have begun attending church with their families. This is what we prayed for and dreamed! To God be the glory!

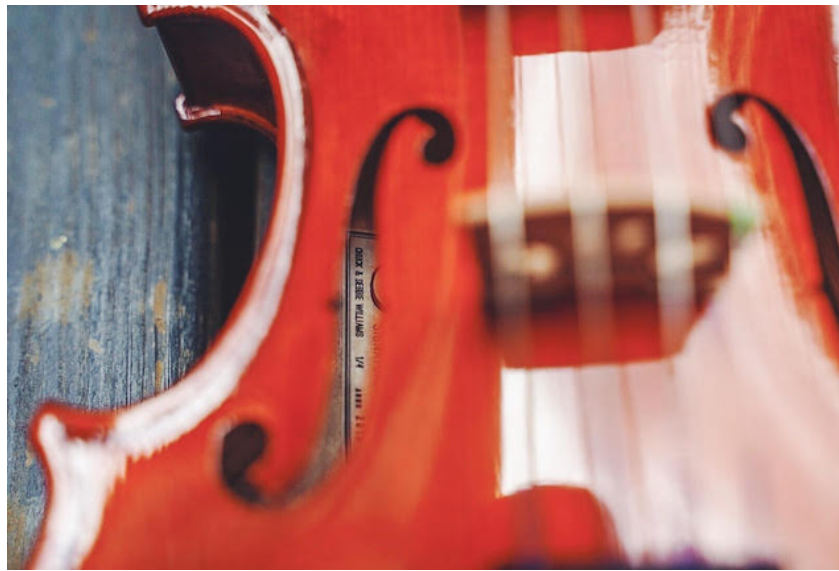

As soon as we had permission to start bringing in the violins, I began to share about this opportunity in my concerts. And just in the last couple of months, over **40 violins** have been sponsored. My heart is overflowing with joy and

gratitude for the response of so many kind, generous and missionary-minded people in the US and Australia (where I've given concerts and have presented this project)!

Everyone that sponsors a violin will have their name, or the name of a loved one they want to remember or honor, on the label of the violin. And we will send them a picture of the label, the violin, and the child that will be using the violin. Below are a couple pictures of a violin Chuck & Debbie Williams have sponsored!

And just 10 days ago, Jason, the CEO of the company that makes the violins shared with me that for every 10 violins that people sponsor for our Cuba and Chattanooga programs, they will donate one! Isn't this awesome? Check out the **Guest Message** below for the e-mails that Jason sent me.

If you would like to help us by sponsoring a violin for one of our 2 programs (**Hope Through Music** in Chattanooga, TN and/or the **Escuela de Musica Mayda Isabel Jorge** in Havana, Cuba), please write to me directly at jaime@jaimejorge.com to request more information.

Over and over and OVER again, I am reminded that our feeble efforts can be turned into powerful witnesses for the glory of God when we allow Him to use us. Would you join me in asking God to give us a greater desire to serve Him?

God bless you!

With love and Aloha,

Jaime, Rachelle and Aria

GUEST MESSAGE

Jaime,

I can't tell you how excited I am to have seen your next batch of instruments come through for the Cuban Music School! I know how much this means to you and we rally behind you here at Maple Leaf Strings.

As you might have heard, MLS and my family took a big hit a few weeks ago when My father, Paul, lost his long battle with cancer. It was a blow we were all expecting to have to take, but none the less a blow that has left us with a void in our lives that we can not replace. I know that you were able to spend time with Paul, and though it was a short one, you saw the man he was and the vacancy he has created for us.

Which leads me to an opportunity to support you, and the children in the Cuban music school. We would like to make a donation in Paul's name for this program.

I see that you have an order for 10 currently. Is that because this is how many more donations you have received, or is 10 the limit to what you can hand carry on your next trip? Would it be better to hold Paul's instrument for the next delivery or could we add to this shipment?

At this point, with this shipment would make 22 instruments for students.

Remind

me again, how many instruments did you say you had a dream to provide for the school?

Hi Jaime,

Thank you for arranging such a wonderful trip, we are feeling so refreshed and brand new. I got all excited again when I read the information for the next trip and want to do it all over again. Thanks to your beautiful wife and Kim and Dwayne for the hard work they are doing. God bless you for the wonderful work you are doing.

Joslyn and Vivene

Jaime:

I have been blessed by your music. I have recently been divorced after 34 years and got myself into trouble because of my addiction to alcohol and drugs trying to ease the pain. It's been difficult. I just can't explain it all, but thank you for encouraging me to run to Jesus and trust in God. God bless you.

D

Dear Brother Jaime, thank you so much for the DVDs, CDs, books. You surprised me. I cried as I prayed, listened to hymns, and gave thanks. As I began listening to the DVDs & CDs they took my pain away and I sang from memory to the Lord praising Jesus through the Holy Spirit. I'll be letting you know about my last cancer cocktail this Friday. I love you.

Love, A

Please continue to pray for me.

Dear Jaime,

I'm the pastor of a small country church in North Eastern PA, and i just wanted to tell you how much I love many of the hymns you've chosen! My favorites have been: Face to Face, Moment by Moment and Be Still, My Soul. The past two hours have been ones where the Lord has led me through some deep waters to plant my gaze more readily on Him and Him alone. Your music has helped train that gaze upwards. Thank you!

A sinner saved by grace,

Pastor PH
SBC, PA

The following was posted on her Facebook page:

So... I gave three concerts this weekend with the illustrious and highly esteemed, Jaime Jorge. I have to admit, I've heard of Jaime for almost 20 years, but I've actually never really listened to his music... until recently. I don't know, I just never been a "violin person." But that may change... I learned A LOT this weekend. 1) That the violin is BY FAR one of the most difficult instruments to learn and master. 2) That is the violin sounds crazily

similar to the human voice. 3) That listening to someone who knows how to seriously play the violin is WILDLY entertaining. 4) That this Jaime Jorge guy is unbelievably disciplined, sophisticated, way more polished than I will ever be, quietly humbly and a true Christian.

Jaime, thank you for sympathizing with minority people groups who are fighting against hate by lending your stunning talents to help bring attention to our difficult causes. I, including many other artists who you often help, (who can't come close to your stature) are deeply grateful for your sacrifice and dedication to helping us in our challenging aims. The return you receive is often mainly spiritual in nature, which evidently, in your estimation, is enough. THANK YOU.

Rachel Hyman

We are excited to announce our dates for next year's Holy Land trip! This will be my seventh trip, and it promises to be the best one.

We will visit Bethlehem, Nazareth, swim in the Dead Sea, some will get baptized or rebaptized in the Jordan River, we'll share an unforgettable boat ride on the Sea of Galilee, soar to Masada, spend time and stay inside Jerusalem, have communion at The Garden Tomb, and MUCH MORE!

We will have evening worship by the Sea of Galilee, Rachelle will lead stretch classes in the mornings, and we'll enjoy wonderful, healthy and tasty local. We will grow closer to the Lord, and our group will become like

family. And I'll share classical, gospel/Christian, and Jewish/Hebrew music, during worships as well as on location!

We will also feature a 4 day extension to **Jordan**, and a 3 day extension to **Egypt**! We have been doing 3 days in Jordan in previous years, but there's so much to see and do that we've added an extra day to see and experience the spectacular places and sites on the other side of the Holy Land! And next year is the first time we will be going Mount Sinai (we'll go to the very spot where God gave Moses the Ten Commandments), visiting the Pyramids, the Sphinx, and more, as part of our Egypt extension.

Exact trips are being promoted for **30% to 75% more** than the price of ours, and the quality and convenience of the hotels aren't even close to the of the ones we've secured for next year! See all the details here: <https://www.jaimejorge.com/holy-land-tour/>
